To Teledyne Brown Engineering

From Airport:

Exit Huntsville International Airport following signs onto Interstate 565 East toward Huntsville. Proceed 7.7 miles and take exit 15 to the right for Madison Pike to Sparkman Drive/Bob Wallace Avenue. At top of ramp, proceed straight through light to next intersection, which is Sparkman Drive/Bob Wallace Avenue. Take a left onto Sparkman Drive, crossing over I-565, and proceed to the third traffic light at the intersection of Lakeside Drive and Sparkman Drive (you will pass Teledyne Brown Engineering on your left). Turn left onto Lakeside Drive at the light. The main entrance and parking lot of Teledyne Brown (Building 1) is immediately on your left.

From Huntsville:

Go west on I-565 and take exit 15 to the right. At top of ramp, go right onto Sparkman Drive and proceed to the second traffic light at the intersection of Lakeside Drive and Sparkman Drive (you will pass Teledyne Brown Engineering on your left). Turn left onto Lakeside Drive at the light. The main entrance and parking lot of Teledyne Brown (Building 1) is immediately on your left.

From Redstone Arsenal Gate 9:

Exit Redstone Arsenal at Gate 9 and take the I-565 East exit. Proceed east and take exit 15 to the right for Madison Pike to Sparkman Drive/Bob Wallace Avenue. At top of ramp, proceed straight through light to next intersection, which is Sparkman Drive/Bob Wallace Avenue. Take a left onto Sparkman Drive, crossing over I-565, and proceed to the third traffic light at the intersection of Lakeside Drive and Sparkman Drive (you will pass Teledyne Brown Engineering on your left). Turn left onto Lakeside Drive at the light. The main entrance and parking lot of Teledyne Brown (Building 1) is immediately on your left.
