GENERAL

Acknowledgment, shipment, or performance of any part of this purchase order will constitute acceptance by Seller of all terms and conditions hereof, including all documents incorporated herein by reference without reservation, and shall constitute the entire agreement between the parties and supersede all prior agreements relating to the subject matter hereof. Buyer hereby specifically objects to any additional or different terms or conditions set forth in any communication from Seller.

Buyer liability to Seller is limited to and shall not exceed for any reason the value of the Purchase Order. Releases against Blanket Purchase Orders represent the aggregate of goods or services and/or dollar amount authorized for delivery to date. Buyer liability regarding Blanket Purchase Orders shall not exceed either of (1) total cumulative quantity of the goods identified on Buyer's order releases or (2) the total Purchase Order value. Deliveries by Seller that exceed either (1) or (2) above shall be at Seller's risk and Buyer is not obligated to accept such deliveries. Freight and insurance costs associated with the return of such deliveries shall be the Seller's responsibility.

All disputes under this purchase order that are not disposed of by mutual agreement may be decided by recourse to an action at law or in equity. Until final resolution of any dispute hereunder, Seller shall diligently proceed with the performance of this purchase order as directed by Buyer.

SECTION 1. CHANGES

Buyer may by written change order make any changes in this purchase order, including additions of or deletions from the quantities ordered or in the designs, specifications, or delivery schedules. If any change affects the amount due or the time of performance hereunder, Seller shall notify Buyer within 5 days and not proceed with the work until Buyer confirms in writing that the change should be implemented. Seller shall then submit a proposal within 20 days detailing the impact of the change. Upon negotiation, Buyer shall then make an equitable adjustment in the purchase price or delivery schedule. Any exchange of information or advice between the parties shall not authorize Seller to change the goods or services purchased hereunder or the provisions of this purchase order unless incorporated as a written change order in accordance with this section.

SECTION 2. INSPECTION AND ACCEPTANCE

Buyer shall have the right to inspect and test the goods or services purchased hereunder at any time prior to shipment at Seller's plant or its subcontractor's plant.

Acceptance of goods or services is subject to final inspection by Buyer to be made within a reasonable time after arrival at the specified destination. The making or failure to make any inspection of, or payment for, or acceptance of the goods or services shall in no way impair Buyer's right to reject or revoke its acceptance of nonconforming goods or services or avail itself of any other remedies to which Buyer may be entitled, notwithstanding Buyer's knowledge of the nonconformity, its suitability, or the ease of its discovery.

SECTION 3. WARRANTY

Seller represents and warrants that the goods and services furnished hereunder shall be merchantable and fit for the particular purpose intended and shall be of the kind and quality described herein, in strict accordance with the specifications, and free of defects in design, workmanship and materials. The corrective work shall be performed diligently and in the most expeditious manner consistent with Buyer's needs and in a manner concurred in by Buyer. Seller warrants any adjustment, repair, or replacement to the same extent the original goods or services are warranted for a period of one year after such corrective work.

Seller also warrants that all goods provided hereunder are new components, and that Seller has in place a process to prevent counterfeit goods from being delivered hereunder.

SECTION 5. JURISDICTION AND WAIVERS

The rights and obligations of the parties hereto shall be governed by the law of the State of Alabama. No provisions hereof may be waived or modified, and no counteroffer hereto shall be deemed accepted, unless made in writing and signed by a duly authorized representative of Buyer. A waiver of one or more defaults hereunder or failure to insist on strict performance of any terms or condition hereof shall not be a waiver of any other or subsequent defaults or performance.

SECTION 6. REPRODUCTION RIGHTS

Buyer does not grant the Seller any rights to use designs, drawings, or other information belonging to or supplied by Buyer in the manufacture or design of articles or

materials for anyone other than Buyer provided, however, nothing herein contained shall be construed to prevent the Seller from making direct sales to the Government where the Government has acquired the Right of Reproduction of such articles.
